

NEW YEAR INITIATIVES

Happy New Year, Aubrey families!! It's going to be a banner year of fun initiatives!

Coming up:

Clear out your closets and bring your **used kids and adult clothes, accessories, and soft housewares** like sheets and towels to Aubrey's main entrance in the morning at drop-off time **Friday, 18 January**. What a great opportunity to clean up at home while supporting your school, too!

Clear out your recycle bin after the holidays - bring all your **refundable cans and bottles** to Aubrey on **Friday morning, 25 January**! Collection will take place under the covered area at 9 am drop-off time. Spring-cleaning and fundraising all at once!

After-school **Game Design classes** by UME Academy, held right at Aubrey!

8 weeks on Wednesdays 3-5pm, Jan 9 - Feb 27, grade 3-5

Course is \$240. Register your child today! <https://ume.academy/reg817>

Hot Lunch orders for Wednesdays until 30 January are now available online. Log on to your account at **Munch-a-Lunch** to order for your family if you wish to participate.

WE NEED YOU!

Upcoming volunteer opportunities:

Aubrey will host **Baby-sitter training** again this year **on the 22 February Pro-D day** - we need a parent to coordinate this programme - to be the contact for the registrants and the educator. *Please let us know if you can volunteer for this.*

Popcorn days are hugely popular with the kids throughout the year, and we need a coordinator for these popcorn days. *Please let us know if you can volunteer for this.*

The Spring Fair is coming up this May - our biggest event and fundraiser for our new playground! We need help in the planning of this event (reaching out to potential sponsors, help with the silent auction, help with planning and coordinating) and especially also on event day 24 May (all hands on deck!) *Please let us know if you can volunteer for this thrilling event!*

thank
you!

PLEASE OBEY ALL TRAFFIC RULES around Aubrey at drop-off and pick-up.

Many Aubrey parents have reported witnessing unsafe practises like speeding, stopping in no-stop zones, stopping near crosswalks, blocking traffic, U-turns, and aggressive driving.

Please know that 2019 will see Aubrey's PAC redoubling its efforts against any unsafe driving that endangers the students and families of the community.
