AUBREY MASK FUNDRAISER

Celebrate your school pride with wonderful new masks!

Aubrey PAC has sourced fabulous masks as a school fundraiser perfect for 2020! The super-comfortable masks come in adult and youth sizes, are adjustable, 3-layer, and even come with filters! You can choose masks with the Aubrey logo or without, and can choose from many different colours at check-out.

Family and friends can order using the link too — once all the masks arrive to Aubrey, they will come home with the students, organized by teacher's name.

TRAFFIC AND SAFETY

Despite the fact traffic is lighter due to staggered start times, some drivers are still disregarding traffic signage around Aubrey during drop-off and pick-up times, leading to dangerous conditions!

NO STOPPING ZONES are so designated because a vehicle stopped there obstructs the ability for pedestrians to **see** oncoming traffic and for other drivers to **see** children who may be crossing the road.

*The stretch of Curtis Street adjacent to Aubrey Elementary is a **NO STOPPING ZONE**. Likewise, much of Stratford Avenue near the school and crosswalks is also a **NO STOPPING ZONE**.* All of the Aubrey Community is implored to please obey all traffic signage, for everyone's safety.

Kindest thanks to you all!

DELIVERIES FOR AUBREY STAFF

Some people have been wondering about safely delivering cards or items for Aubrey Teachers and Staff this holiday season. For teachers and staff who have a door to the outside, items can be delivered to them directly at those doors. For those who don't have an exterior door, items may be left on the cart outside the front entrance of the school, very clearly marked with the name of the person the item is for. We're so sorry that homemade food can't be accepted this year, and that staff can't share food inside the school. *Hugest thanks for your kindness, and the very best to you all this winter holiday!*
