### iGirl and iGuy Workshops January 14 and 15

The Aubrey PAC is proud to sponsor these educational and empowering workshops for our pre-teens.

**iGirl** is a straight-to-the-point, lighthearted, workshop that prepares our 9–12 year old girls for the multimedia pressure-cooker they'll soon encounter. Saleema and her team tackle topics like what to expect from puberty, safety on the internet, understanding what makes a healthy body image, and how to be assertive in even the toughest situations.

**iGuy** workshops will work on challenging society's definition of masculinity, unmasking our secret identity, blowing off some steam (in a healthy way), tackling online safety, and helping build relationships we can feel proud of.

### Bobs and Lolo Concert
